PROCEDURE OVERVIEW

Dermal fillers (such as hyaluronic acid-based fillers) are used to enhance the volume, shape, and symmetry. While results are typically temporary, they may last several months depending on the type of filler and individual factors.

Please read and initial each item below:

[ ] _____ I understand that results vary from person to person and are not guaranteed.

[ ] _____ I understand that mild swelling, bruising, redness, and tenderness are common and typically resolve within a few days.

[ ] _____ I understand that more serious but rare side effects can occur, including lumps, infection, allergic reaction, vascular occlusion (blockage of blood supply), or prolonged swelling.

[ ] _____ I have informed my provider of any medical conditions, allergies, or medications I am currently taking.

[ ] _____ I am not pregnant or breastfeeding at this time.

[ ] _____ I understand that I should avoid alcohol, blood-thinning medications, and strenuous exercise before and after treatment as advised.

[ ] _____ I give consent for before-and-after photos to be taken for medical documentation (check if you also approve use for marketing purposes: [ ] Yes [ ] No).

[ ] _____ I have had the opportunity to ask questions, and all my questions have been answered to my satisfaction.

CONSENT & ACKNOWLEDGEMENT

I confirm that I have read and fully understand the above information. I understand the nature of the procedure, potential risks, and alternatives. I voluntarily consent to receive lip filler treatment today.
